Pennsylvania Steel Company acquires Fieldcrest Steel Corp., Expands Footprint in Western Pennsylvania

Bensalem, PA – 08/04/2025 – Pennsylvania Steel Company Inc., a leading Steel Service Center, is proud to announce the acquisition of Fieldcrest Steel Corporation, a trusted steel service center based in Carnegie, PA. Founded in 1991, Fieldcrest has served customers across Western Pennsylvania for over three decades with a strong reputation for quality and personalized service.

As part of the acquisition, Fieldcrest Steel will relocate to Pennsylvania Steel's newly acquired 85,000 square foot warehouse at 10 Arch Street in Carnegie, PA. This move enables significant growth in warehousing capacity, expanded inventory, and improved logistics capabilities for customers in the region.

"We're excited to welcome the Fieldcrest Steel team into the Pennsylvania Steel family and look forward to building on their strong reputation in the region," said Mike Loveland, President and Chief Operating Officer of Pennsylvania Steel Company.
